

## FIELD TRIP TIMES AND FEES

All programs can be adapted to fit any grade level, special needs, or interest. Visit our web site for a listing of current and upcoming exhibitions.

All students go home with a free gift and coupon to visit us again!

### TIMES

Monday–Friday 9:00 am or 10:45 am

### FEES

\$4 per student, up to 10 adult chaperones are free

(minimum of one chaperone for every 7 students)

*There is a 10 student minimum for all group tour programs.*

### MAKING YOUR RESERVATIONS

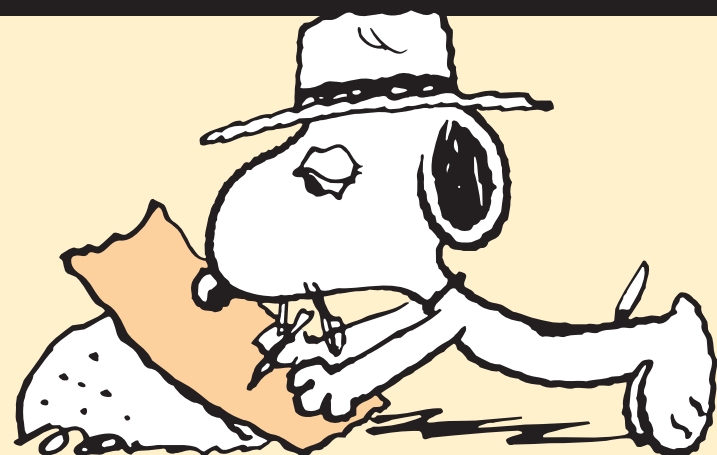

Advance registration is required for all programs. Please reserve programs at least three (3) weeks in advance and have several possible dates in mind in order to make sure we can fully accommodate your needs.

When you call to make reservations, please have the following information ready:

- Name of the program you are reserving
- Preferred and alternate dates
- Desired time
- Grade or age of group
- Number of people in group
- Contact person's name, telephone number, and mailing address

## FEE ASSISTANCE AVAILABLE

The Schulz Museum offers full and partial fee assistance for schools and groups in need of financial aid. Fee assistance is available for programs delivered between September 2011 and March 2012 only. Call for information or download an application at [www.SchulzMuseum.org/tours-school.html](http://www.SchulzMuseum.org/tours-school.html).

See our web site for information about permanent exhibitions and artifacts available for viewing every day at the Charles M. Schulz Museum, [www.SchulzMuseum.org/exhibits.html](http://www.SchulzMuseum.org/exhibits.html).

# Field Trips

Choose from the programs below and reserve your tour by phone (707) 284-1263 or email [schooltours@schulzmuseum.org](mailto:schooltours@schulzmuseum.org)

## FOR PRE-KINDERGARTEN–2ND GRADE

### WHO IS SNOOPY?

This introduction to museums, Charles Schulz, and *Peanuts* is specially designed for young students. Children will enjoy a hands-on tour of the Museum and see a *Peanuts* animated special. They will also play drawing games and create their own cartoons.

Supports grades K–2 Language Arts and Visual Arts content standards.

## FOR 2ND–4TH GRADE

### LOCAL HERO: THE STORY OF CHARLES M. SCHULZ

Explore the life and career of Charles Schulz and his contributions to local history. Learn to draw your own cartoons and some of Schulz's most beloved *Peanuts* characters.

Supports grades 2–4 Social Science and Visual Arts content standards.

## FOR 3RD GRADE AND ABOVE

### THE ART OF THE STORY

Learn how Charles Schulz and other cartoonists use their own life experiences to develop characters and convey stories in just four cartoon panels. Explore the key elements of a story and learn to tell your own story with images in a hands-on cartoon workshop.

Supports grades 3–6 Language Arts and Visual Arts content standards.

## FOR 3RD GRADE AND ABOVE

### THE ART OF CARTOONING

Cartoons make us laugh, tell stories, and comment on the world around us. Learn how cartoonists use simple lines to show complex characters and emotions. Students will tour the Museum, create their own animation sequence and watch it come to life in our giant zoetropes.

Supports grades 3–6 Visual Arts content standards.

## FOR 6TH GRADE AND ABOVE

### CHARACTER CREATION WORKSHOP

Discover how cartoonists and artists come up with ideas and create characters. Then develop your own characters and stories and work in small groups to bring your stories to life with stop-motion computer animation.

Supports grades 6–12 Language Arts and Visual Arts content standards.

## ICE SKATE AT SNOOPY'S HOME ICE: MONDAY–THURSDAY

Extend your field trip! Ice skating at Snoopy's Home Ice is available from 12:00–2:00 pm for \$5 per person. Chairs are available for beginners on Tuesdays and Thursdays. Reserve your ice time when you reserve your tour with the Museum.

To learn more about special skating sessions and lessons for groups, call the ice arena at (707) 546-7147.

See fold-over panel for field trip times and fees. To schedule, call (707) 284-1263 or email [schooltours@schulzmuseum.org](mailto:schooltours@schulzmuseum.org)

## WHAT TEACHERS HAVE TO SAY—

*“It was such a great day—90 kids, 3 activities—everyone engaged!”*

—4th grade teacher  
JX Wilson Elementary

*“Relevant, fun, educational, easy. We need these art connections. Thanks.”*

—8th grade teacher  
about *Cartooning In Your Classroom*  
Rincon Valley Charter School

*“We love the Art of the Story tour. We matched this to our theme/focus in Language Arts two years in a row.”*

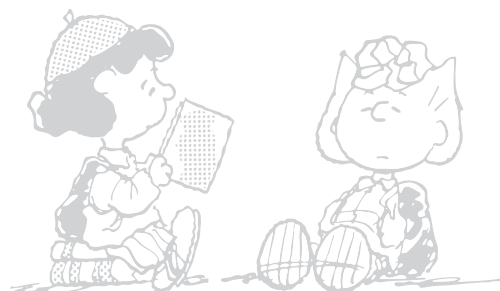

—3rd grade teacher  
Steele Lane Elementary School

*“This has been a yearly field trip for 5 years! We love it!”*

—3rd grade teacher  
Windsor Christian Academy

*“It was a fabulous experience. Kids got to know more about a local citizen who contributed to national (and world wide) and Santa Rosa culture.”*

—1st grade teacher  
Hidden Valley Satellite School

## SCHOOL OUTREACH PROGRAM

## Bring the Schulz Museum to your School

*If you can't come to us, we will come to you...*

### CLASSROOM VISIT PROGRAMS INCLUDE:

#### FOR K–2ND GRADE

##### PEANUTS ON THE GO

Learn about local icon Charles Schulz and *Peanuts* by learning to draw Snoopy and creating several crafts to take home including a Snoopy puppet and mask. Supports grades K–2 Language Arts and Visual Arts content standards.

#### FOR 3RD–6TH GRADE

##### CARTOONING IN YOUR CLASSROOM

Explore the art of cartooning and animation. Students will create a comic strip, hand-drawn animated sequence for the zoetrope, and experiment with basic stop-motion computer animation.

Supports grades 3–6 Language Arts and Visual Arts content standards.

### CLASSROOM VISIT TIMES AND FEES

**LENGTH** 50–75 minutes per classroom, depending on class schedule

**FEES** \$100 for one class (maximum of 35 students)

\$150 for two classes (\$75 per class)

\$180 for three classes (\$60 per class)

Plus \$.55 per round trip miles traveled from the Museum

**NEW THIS YEAR!**

### PEANUTS...NATURALLY SCHOOLWIDE FESTIVAL

The Schulz Museum will turn your school into a hands-on art and science museum with over 15 fun, nature-related interactive exhibits. Students will explore and learn about the environment by making their own recycled paper, designing and racing solar cars, planting a garden to take home, measuring their carbon footprint, experimenting with animal adaptation, and more. Perfect for a family night or science enrichment

program for all grades, this Festival serves up to 200 people at a time (approx. 1 to 2 hours—according to your school's schedule), and can stay at your school for a few hours or a few days.

Supports grades K–6 Science content standards.

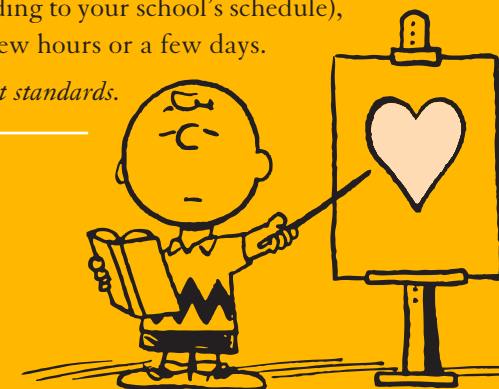

#### FESTIVAL FEES

\$750 for one day

\$500 each for two days

\$300 each for more than two days

Plus \$.55 per round trip mile traveled from the Museum

Call to reserve your program: (707) 284-1263
